- 1 Your first step should be to familiarize yourself with the products available for rent by coming in to our full service showroom to see the products we have to offer. If you do not have time to come in please feel free to browse our website at: www.patspartyrentals.net
You may also phone and talk to one of our sales and event coordinators if you have any inquiries. Remember, if you don't see what you're looking for please ask as we add new items to our inventory often.
- 2 Once you have decided what items you would like to reserve for your event our sales & event coordinators will input your order & take all necessary information including delivery times & address is applicable. We will also ask for a credit card # for security and to process a 25% deposit. A 50% deposit will be taken on all tent bookings, which is non-refundable within 30 days of your event. Your tent consultant will discuss this with you in our showroom or during your free tent site measure & consultation.

You will then be given your invoice. Next you will drive your vehicle to the rear of the building to the Pick Up & Return door. Once you are there please give your invoice to the staff member, they will bring you your items. Our staff will assist you with loading & unloading but please remember that we will not be held responsible for any damages incurred.
- 4 Once we have loaded your items we simply ask that you sign the invoice. By signing the invoice you agree that you were given everything that you had ordered. This is to insure accuracy of your order.
- 5 If you do have any lost or broken items on return we ask that you pay the replacement cost(s). If you later find that item, return it with your receipt & we will happily refund you in full.
